RE: BILL 23 (2017) RELATING TO CITY PARKS AND RECREATIONAL FACILITIES

Dear Director Kaulukukui,

My office continues to receive concerns from the community regarding the transfer of management of Thomas Square to the Department of Enterprise Services. At the March 7<sup>th</sup> meeting of the Committee on Parks, Community & Customer Service, Committee members made the following requests during the discussion of Bill 23 (2017):

- Please provide a breakdown of costs on the current project at Thomas Square, including the cost of wooden panels surrounding the park;
- Please identify the gift resolution for the supplies and other costs donated by American Savings; and
- As any expenditure of construction funds requires a symbol on the appropriate public infrastructure map (PIM), please provide a response to what PIM symbol is required and whether it is currently on the PIM?

Thank you for your attention to this matter and I look forward to your response by March 15, 2017, prior to the Makiki Neighborhood Board meeting.

Sincerely,

Ann H. Kobayashi, Chair  
Committee on Parks, Community, &  
Customer Service
